|------------------------|---|--|
| Product Identifier     | Propylene Glycol 60%                          | Version: 7 Effective Date: 25 January 2021 |
| Other Means Of         | 1,2-propandiol                                | ·  |
| Identification         |   |  |
| Initial Supplier       | Chemfax Products Ltd.                         |  |
| Identifier             | 11444 – 42 Street SE                          |  |
|                        | Calgary, AB T2C 5C4                           |  |
|                        | Tel: 403-287-2055                             |  |
| <b>Recommended Use</b> | Non-toxic heat transfer fluid. No restriction | is.  |
| and Restrictions       |   |  |
| On Use                 |   |  |
| <b>Product Family</b>  | Diol  |  |
| <b>Emergency Phone</b> | 1-855-887-2055 Monday - Friday 8:00am - 4:    | 30pm MST                                   |

| Section 2. Hazard Identification |                         |  |  |
|----------------------------------|-------------------------|--|--|
| <b>Hazard Classification</b>     | Not a regulated product |  |  |
| Signal Word                      | None                    |  |  |
| Hazard Statement                 | None                    |  |  |
| <b>Precautionary Prevention</b>  | Non Hazardous           |  |  |
| Statement                        |                         |  |  |
| <b>Precautionary Response</b>    | Non Hazardous           |  |  |
| Statement                        |                         |  |  |
| <b>Precautionary Storage</b>     | Non Hazardous           |  |  |
| Statement                        |                         |  |  |
| <b>Precautionary Disposal</b>    | Non Hazardous           |  |  |
| Statement                        |                         |  |  |
| Other Hazards                    | None                    |  |  |

| Section 3. Composition / Information on Ingredients |  |  |  |  |  |
|---|--|--|--|--|--|
| <b>Chemical Name</b>                                | Chemical Name   Common Name or Synonyms   CAS NO. and Other   Unique Identifiers   % by weight |  |  |  |  |
| Ingredients are considered non-hazardous            |  |  |  |  |  |

| Section 4. First-Aid Measu    | ires   |
|-------------------------------|--|
| Eye Contact                   | Flush eyes with water for 15 minutes. Seek medical attention.          |
| Skin Contact                  | Wash skin with water.  |
| Inhalation                    | Remove victim to fresh air. If there is difficulty breathing, seek     |
|                               | immediate medical attention.   |
| Ingestion                     | Rinse mouth with water if conscious. Do not induce vomiting. Lay       |
|                               | victim on left side to prevent aspiration of any vomit. Seek immediate |
|                               | medical attention.   |
| Most Important                | Not hazardous under normal conditions of use.                          |
| Symptoms and Effects          |  |
| <b>Both Acute and Delayed</b> |  |
| Immediate Medical             | Not required.  |
| Attention and Special         |  |
| Treatment                     |  |

| Section 5. Fire-Fighting Measures |  |  |  |
|-----------------------------------|--|--|--|
| Suitable and Unsuitable           | Use dry chemical, CO <sub>2</sub> , water spray (fog), or foam.        |  |  |
| Extinguishing Media               |  |  |  |
| <b>Hazardous Combustion</b>       | Oxides of carbon.  |  |  |
| Products                          |  |  |  |
| Specific Hazards Arising          | None known   |  |  |
| From the Product                  |  |  |  |
| Special Protective                | Firefighters should wear self-contained breathing apparatus and full   |  |  |
| Equipment and                     | protective clothing. Use water spray to cool containers and structures |  |  |
| <b>Precautions For Fire-</b>      | exposed to fire.   |  |  |
| Fighters                          |  |  |  |

| Section 6. Accidental Release | se Measures  |
|-------------------------------|--|
| Personal Precautions,         | Protective equipment is not required under normal conditions of use. |
| Protective Equipment and      | Good housekeeping practices should be employed.                      |
| <b>Emergency Procedures</b>   | Secure area. Surface might be slippery.                              |
| Environmental                 | As a general precaution, Propylene glycol should not be allowed to   |
| Precautions                   | enter the storm sewers or surface watercourses.                      |
| Methods and Materials         | Soak up with absorbent. Place in a suitable container for disposal.  |
| For Containment and           | Wash area with water to remove residues.                             |
| Clean-Up                      |  |

| Section 7. Handling and Storage |   |  |  |
|---------------------------------|---|--|--|
| <b>Precautions For Safe</b>     | Handle with care. Good housekeeping practices should be employed. |  |  |
| Handling                        |   |  |  |
| <b>Conditions For Safe</b>      | Store in a cool place. Keep container closed when not in use.     |  |  |
| Storage                         |   |  |  |

| Section 8. Exposure Controls / Personal Protection |  |           |        |  |
|--|--|-----------|--------|--|
| Control Parameters                                 | TWA: 8 Hr STEL: 15 min All components are non-hazardous. | Ceiling   | IDLH * |  |
| <b>Exposure Controls</b>                           | Local exhaust ventilation                                |           |        |  |
| Appropriate Engineering                            | Ensure eye wash station and safety shower are available. |           |        |  |
| Controls   |  |           |        |  |
| Individual Protective                              |  |           |        |  |
| Measures   |  |           |        |  |
| Eye / Face Protection                              | Chemical safety goggles.                                 |           |        |  |
| Skin Protection                                    | Gloves.  |           |        |  |
| <b>Respiratory Protection</b>                      | Not required under normal condition                      | s of use. |        |  |

| Section 9. Physical and Chemical Properties |                               |  |
|---|-------------------------------|--|
| Appearance                                  | Clear, colourless             |  |
| Odour                                       | Odourless                     |  |
| Odour Threshold                             | Not applicable                |  |
| pH  | 8                             |  |
| Flash Point                                 | 99 − 109 °C                   |  |
| <b>Boiling Point and Boiling Range</b>      | 214 °C                        |  |
| <b>Melting Point and Freezing Point</b>     | -51 °C                        |  |
| <b>Evaporation Rate</b>                     | Not determined                |  |
| Flammability (solid, gas)                   | Not applicable                |  |
| Upper and Lower Flammability or             | No data                       |  |
| <b>Explosive Limits</b>                     |                               |  |
| Vapour Pressure                             | 0.07 - 0.20                   |  |
| Vapour Density                              | 2.5 - 2.6                     |  |
| Relative Density                            | 1.038                         |  |
| Solubility                                  | Soluble in water; hygroscopic |  |
| Partition co—efficient, n-                  | No data                       |  |
| Octanol/Water                               |                               |  |
| <b>Auto-ignition Temperature</b>            | 371 – 421 °C                  |  |
| <b>Decomposition Temperature</b>            | No data                       |  |

| Viscosity | No data |

| •         |         |

| Section 10. Stability and Reactivity |  |  |  |
|--------------------------------------|--|--|--|
| Reactivity                           |  |  |  |
| Chemical Stability                   | The product is stable  |  |  |
| Possibility of Hazardous             | None   |  |  |
| Reactions                            |  |  |  |
| Conditions to Avoid                  | High temperatures, sparks, open flames, and other sources of ignition. |  |  |
|                                      | Avoid moisture contamination.  |  |  |
| <b>Incompatible Materials</b>        | Strong oxidizers, strong acids, and isocyanates.                       |  |  |
| <b>Hazardous Decomposition</b>       | Under normal storage condition decomposition will not occur.           |  |  |
| Products                             | Thermal decomposition products are toxic and may include oxides of     |  |  |
|                                      | carbon and irritating gases.   |  |  |

| Section 11. Toxicological Information |  |                         |                               |  |
|---------------------------------------|--|-------------------------|-------------------------------|--|
| <b>Component Toxicity</b>             | LD50 Oral  | LD50 Dermal             | LC50 Inhalation               |  |
| Propylene Glycol                      | 20 g/kg (Rat)  |                         |                               |  |
| Likely Routes of Exposure             |  |                         |                               |  |
| Skin:                                 | Potential irritan  | t. May cause irritation | on and redness with prolonged |  |
|                                       | and repeated co  | ntact.                  |                               |  |
| Eyes:                                 | May cause teari  | ng and irritation.      |                               |  |
| Inhalation:                           | May cause irrita   | ation of the upper rea  | spiratory tract.              |  |
|                                       | May cause irritation of the upper respiratory tract. May cause |                         |                               |  |
| Ingestion:                            | digestive tract disturbances.                                  |                         |                               |  |
