

“RELEASE ALL”

A uniquely formulated biodegradable asphalt and bitumen release agent that effectively prevents material from adhering to metal surfaces. A great alternative to diesel.

Applications: Paving equipment, dump trucks, loaders and anywhere an environmentally friendly asphalt and bitumen release agent is required.

Directions / Dilutions: Simply apply a light coat of Release All with a sprayer to metal surfaces as required. Use as is.

Laboratory Analysis:

| | |
|---------------|------------------------|
| Appearance: | Golden coloured liquid |
| Odour: | None |
| Flammability: | NonFlammable |
| Solubility: | Non-soluble |
| Freeze Point: | < -28°C |

Packaging: 20 litre pail
205 litre drum
1000 litre tote
