

## “SLAM DUNK”

A highly concentrated powdered degreaser and cleaner for use in hot tanks. Safe on all metals when used as directed and completely biodegradable. Slam Dunk quickly penetrates dirt, grease, and oil leaving metal parts clean with no film or residue.

**Applications:** Machine shops, gas plants and anywhere a high quality hot tank degreaser is needed.

**Directions / Dilutions:** General cleaning: Use 1kg. Slam Dunk to every 40 litres of water. For best results heat Slam Dunk solution to 90°C.

### **Laboratory Analysis:**

|               |               |
|---------------|---------------|
| Appearance:   | Brown powder  |
| Odour:        | Pine scent    |
| Flammability: | Non flammable |
| Solubility:   | Water soluble |
| Detergency:   | Excellent     |

**Packaging:** 181.8 kg. drum  
20 kg. pail
