

## “STAY BRIGHT”

A unique low p.H. pre-soak for car and truck washes. Also an excellent cleaner for polished aluminum and stainless steel that will not whiten or dull the finish when used as directed. “Stay Bright” can be sprayed or brushed on and allowed to soak for a few minutes depending on application desired. Apply evenly to prevent streaking and keep surface wet. Let sit for a few minutes then rinse.

**Applications:** Car and Truck washes that require a low p.H. pre-soak and anywhere aluminum and stainless steel shine needs to be restored.

### **Directions / Dilutions:**

General cleaning: use 1 part “Stay Bright” up to 80 parts water.

Heavy duty cleaning: use 1 part “Stay Bright” up to 15 parts water.

### **Laboratory Analysis:**

Appearance:	Pale Yellow Liquid
Odour:	Slight Pungent odour
Corrosion:	Corrosive
Flammability:	Non flammable
Solubility:	Water soluble
p.H.:	2

**Packaging:** 205 litre drum  
20 litre pail
