

## “T.X.I.-301”

A heavy duty laundry degreaser and stain remover designed for use in washing machines. Cleans coveralls and other materials covered in grease and oils.

**Applications:** Gas plants, machine shops, automotive and industrial shops, and anywhere grease and oil is encountered

**Directions / Dilutions:** Add 50 to 100 ml per load of laundry depending on condition of items to be cleaned. For heavy build up of grease or oil let items soak for 15 minutes before washing. Always pre-test for colour fastness before proceeding.

### **Laboratory Analysis:**

Appearance:	Clear liquid
Odour:	Lemon scent
Corrosion:	Non-corrosive
Solubility:	Water soluble
Detergency:	Excellent

**Packaging:** 20 litre pail

For further information consult the material safety data sheet and label.
